

Pursuit DC 265 (2014-)

Brief Summary

The Pursuit DC 265 is one of two dual consoles the company builds. Boaters who are familiar with Pursuit know what to expect, but let us tell newcomers: expect fit-n-finish and quality of workmanship second to none in class. Because Pursuit is the sister company of Tiara, which builds large express cruisers, some of which sell for over a million dollars, there are yacht-quality details in the DC 265 that we don't find in other boats in class.
