Builders Commentary

The 275 Dorado sets a new industry standard for a family-friendly coastal fishing vessel. The custom fiberglass built-in hard top adds to the stunning look and functionality of the model, while the convertible seating arrangements in the cockpit leave numerous entertaining or lounging options for you, your friends, and your family. Relax in the lounge area, cook up your catch of the day on the optional electric grill, or go for a swim off the convenient telescopic swim ladder affixed and stowed in the bow. If you like to ski off the back with the optional ski pylon, chase the sun or fish your favorite spot, this dual console model can do it all.
