

# Bennington 2574 RLi (2010-)

## Brief Summary

The 2574 RLi is part of the luxury lineup that Bennington offers. With four entry points, plush seating, and a raised helm, this is not only a comfortable boat, but the possibilities for customizing it to fit your needs are vast. A long list of options ranging from simple flooring and stereo decisions leads into the more versatile amenities such as chaise lounges, galley choices, storage, and entertainment centers. The result is a pontoon boat that has been adapted and built to your specifications and needs, rather than having you adapt to the boat. With that said, it all starts with the boat.
