

Hydra-Sports 3000 CC (2011-)

Brief Summary

The Hydra-Sports 3000 CC has taken on a new look for 2011, but that is not all that has changed. Hydra-Sports offshore fishing boats have always been known as tough and reliable and as our tests have shown, have the performance numbers as well. Now owned by the same people that build the world famous MasterCraft tow boats, this fishing machine is now experiencing an aesthetic evolution.
