Builder Commentary

What was the newest member of the **Carolina Classic** family, is now a new member to the **Albemarle** family. The **32 Express** boasts all top-of-the-line features that serious offshore fishermen demand. Plus she has the speed and performance that leave other boats in her wake.

She sports a huge 80 square foot, flush deck cockpit. The helm console is spacious enough for state-of-the-art large-screen electronics. She has a full-beam tackle and rigging station, twin 50-gallon fish boxes (optional freezer system available), and optional transom live well.

The large helm deck seats six while the salon below features a full galley. The large stand up electric head and shower, double berth and seven foot bunk make this one of the most comfortable boats you'll ever fish. She's a pocket battleship that will win the fight.
