Builders Commentary

Welcome to the future of superyachts. The cutting-edge 116 is built upon the proven platform of its hugely popular predecessor, the 115 Sport Yacht, but takes sophistication to the next level with a spectacularly reimagined deck and superstructure, open-plan layout and stylish modern interior. The 116 combines superb performance with Sunseeker’s Bespoke service – meaning every element of the 116’s design and layout, from guest cabin configuration to hot tub option, can now be individually tailored to the needs of the customer – we’ve succeeded in creating the ultimate luxury yacht for entertaining in style.
