Builders Commentary

The 204LR is an outboard version of our 208LR Sport Deck bowrider. It retains the same 15" side entryway for quick and easy boarding. Underneath the sundeck is a very large storage area for water toys and gear. Aft of the sundeck are two double-tiered swim perches for hanging out on the transom. Multi-step boarding ladders fore and aft provide convenient re-entry from the water and beach. A fiberglass cockpit floor liner offers comfortable traction and makes cleanup easy at the end of a fun day on the water.
