## Builders Commentary

With its pure lines and exceptionally modern design, the VIRTESS 420 is nothing but seductive. She is the embodiment of state of the art technology and innovative solutions. The large COUPE roof can be opened at the press of a button, transforming the VIRTESS 420 into a true convertible.

The helm was designed according to the most modern criteria to ensure a perfect overview of all the instruments and controls under all sailing conditions. There is space at the helm for two because the pleasure of the luxury and comfort aboard a VIRTESS 420 should really be shared.
