Builders Commentary

The 325CC is our newest center console catamaran. It showcases numerous enhancements and improved aesthetics, such as a removable transom seating arrangement, increased insulated storage, and upgraded styling. The 325CC also comes in an available Shadow Series option with multiple exciting elements, a transom reinforcement for higher HP rating; use of Mate Elite Series oval 30 degree cup/rod holders; upgraded white sports speakers including two new speaker locations in the bow; port and starboard Frigid Rigid coolers with seat cushion and coaming pad bolster and a transom insulated storage tub with acrylic lid. A USB charger and two additional cup holders both port and starboard on the gunwale cap can be found in the bow. This model provides unmatched performance with offshore range all on a stable, proven catamaran platform.
